

**RENT ME**

## **Residential & Commercial // Driveway Safe // Competitive Rate**

### **Cleaning the garage**

*After cleaning out your garage, all those unused materials, trash, and extra parts need somewhere to go.*

### **Cleaning up after a storm**

*A period of inclement weather can leave extra tree branches, plants, dirt, and other yard debris piled up throughout your yard. Streamline your cleanup project by renting a dumpster.*

### **Minor renovation**

*Even the smallest renovation projects can produce a ton of waste! Don't let extra materials and waste pile up throughout your project-easily get rid of them with a dumpster rental.*

### **You're moving out**

*It's amazing what you find hiding in your house when you pack and get ready to move. Save yourself time and hassle as you move out by dumping unwanted items you can't donate into one of our dumpster rentals.*

**NO PAINT CANS**

**NO TIRES**

**NO BATTERIES**
